Road Safety for Vulnerable Road Users

The National Road Safety Policy

▶ **Activity 1: Road Safety Management**

- ▶ Develop awareness campaigns for vulnerable road users (pedestrians, bike cyclists, motorbike riders)

▶ **Activity 4: Safe road user behavior**

- ▶ Develop education and awareness strategy on traffic law, develop a comprehensive action plan on road safety education
- ▶ Develop pedestrian crossing areas in the city
- ▶ Educate road users, including transport company on safe road using

Road Safety Campaigns

Road Safety Campaigns for School Children

Road Safety for Children

- ▶ Public Transport available in Phnom Penh
- ▶ No school bus for public schools
- ▶ School bus available for private schools with fees

Improve pedestrian crossing areas (and other facilities)

Thank you!
