

Improving road crash data quality

Dr. Kacem IAYCH

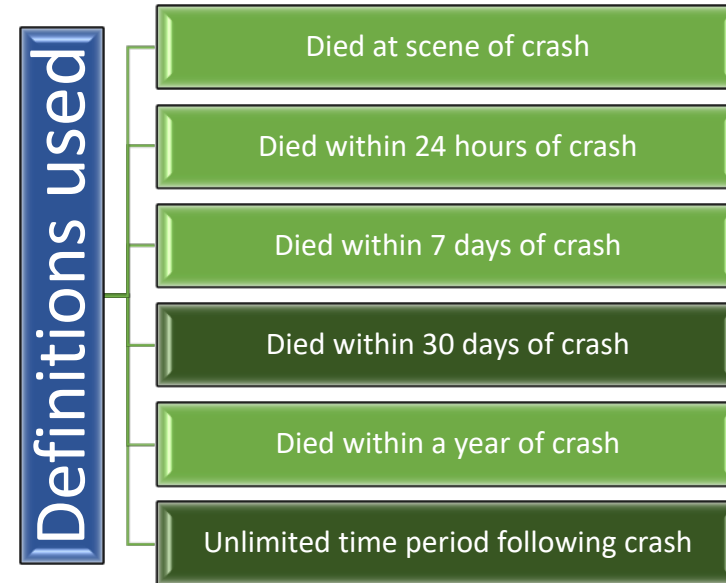

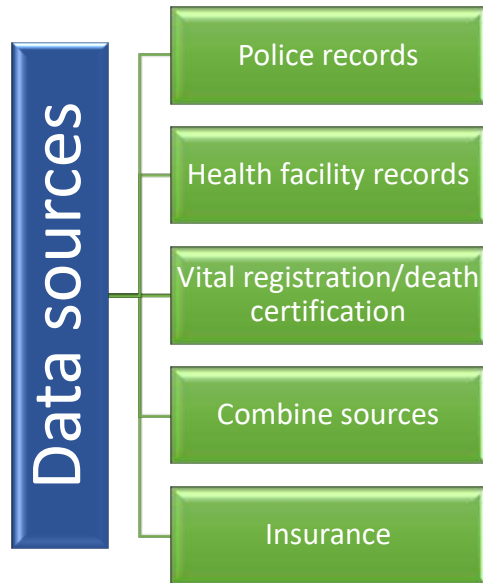

**FIRST WORKSHOP ON THE IMPLEMENTATION OF
THE ASIA-PACIFIC ROAD SAFETY OBSERVATORY
(APRSO)**

26 August 2020

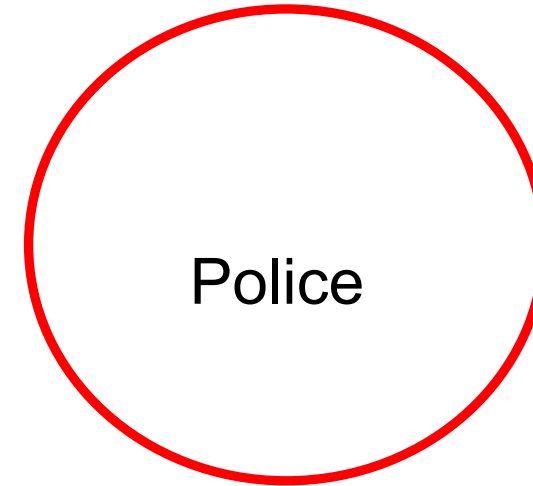

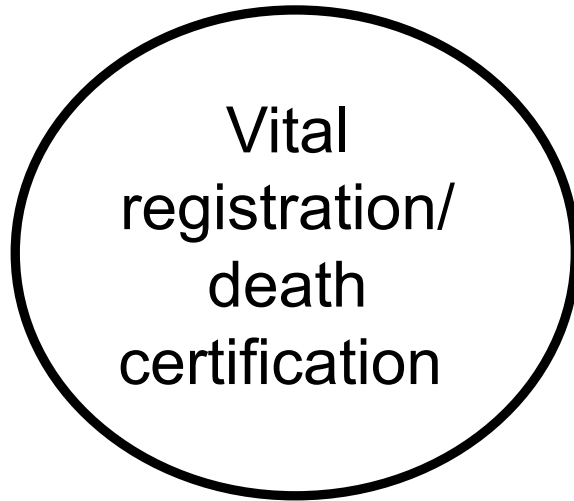

**World Health
Organization**

Data sources on road traffic injuries and fatalities

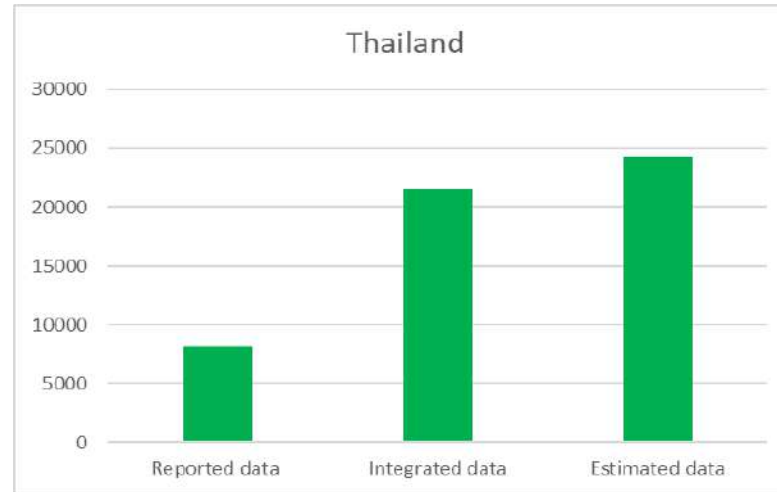

Finding the missing deaths

Example of integrating different sources of data

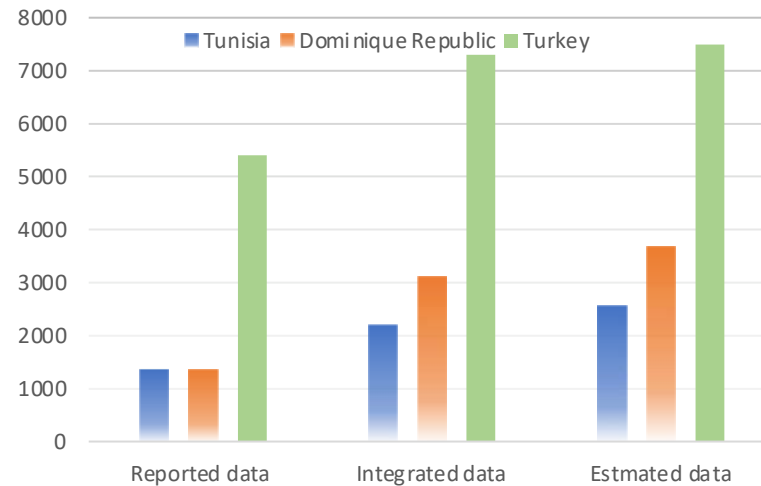

● Thailand

1. Reported data 8137
2. Integrated data 21222
3. Estimated data 24237

● Dominique Republic

1. Reported data 1363
2. Integrated data 3118
3. Estimated data 3684

● Tunisia*

1. Reported data 1369
2. Integrated data 2196
3. Estimated data 2569

● Turkey

1. Reported data 5409
2. Integrated data 7263
3. Estimated data 7488

*Preliminary

Thank you
